#YourDreamMatters: From Dreaming to Thriving

Week 4 Teaching Notes

Theme: The Gift

Key Scriptures:

- Luke 19:12-27
- Luke 16:11

Key Points:

- Your dream is a gift from God and He's expecting a return on investment from His gift
- The return on investment God is expecting from the dream He gave you is primarily souls
- The reward for faithfulness with your dream is more responsibility / influence over lives
- God promised to give us the heathen / the nations (Psalm 2:8) as our inheritance
- Authority and responsibility are given by God for you to be a good steward over lives
- The harvest of your dream is souls not money. God's resources are connected to how you impacting/influencing souls
- Money is not God's focus for your harvest. It is a tool for you to reap a harvest of souls
- You won't have to worry about resources when you're stewarding a God-given opportunity
- Burying your dream angers God because
 1. You deny His power
 2. Delays the blessing that is supposed to flow through you to others (has to find someone else)
 3. Denies your blessing
